

A Feast of Kindness: London Factory Employees Rally for World Food Day!

03/25/24

In honor of World Food Day, the employees at our manufacturing facility in London, Ontario, Canada organized a food drive challenge. They split into five teams to see which team could collect the most food. Collectively, the teams donated 1,622 pounds of food to the [London Food Bank](#), with Team 2 leading the way by donating 489 pounds.

As an incentive, the company offered to sponsor lunch from a local food truck chosen by the winning team. However, Team 2 members generously requested that the funds for the food truck be donated back to the London Food Bank. In addition to the food donation, Team 2 members presented a check for \$750 to Jane Roy, executive director of the London Food Bank.

"We have a saying: you can't do everything, but you can do something, and you guys did a whole lot of something!" said Roy, thanking the team for their efforts in supporting the London Food Bank.
