

Ingredion Named a Finalist for the National Safety Council's Green Cross for Safety® Awards

08/14/24

Foundational value of "Care First" and innovative employee engagement drive industry leading safety record and recognition.

WESTCHESTER, Ill., Aug. 14, 2024 (GLOBE NEWSWIRE) -- [Ingredion](#) Incorporated (NYSE: INGR), a leading global provider of ingredient solutions to the food and beverage industry, has been named a finalist for the National Safety Council's (NSC) Green Cross for Safety® awards.

The NSC awards are designed to honor companies that have demonstrated an outstanding commitment to safety and health. Ingredion is a finalist in the "Safety Excellence" category, which recognizes organizations with a proven track record combining innovative approaches to awareness and comprehensive employee engagement.

"By continuously reinforcing our foundational value of 'Care First,' both in the workplace and at home, we improved on our already stellar levels of safety in the manufacturing industry," said Eric Seip, senior vice president, global operations, and chief supply chain officer.

In 2023, Ingredion reduced recordable and lost time incidents to record lows and continued to operate at world-class levels of safety and performance.

"Our zero-injury mindset empowers 12,000 employees at all levels to take an active role in safety and dedicating ourselves to continuous improvement, we are creating a better environment for everyone," Seip said.

Winners will be announced on September 16.
