

Dwayne Wilson Elected to Corn Products International, Inc., Board of Directors

May 19, 2010

WESTCHESTER, Ill., May 19, 2010 (BUSINESS WIRE) --Corn Products International, Inc. (NYSE: CPO) today announced that Dwayne Wilson has been elected as a member of the Company's Board of Directors.

Mr. Wilson is Group Executive of Fluor Corporation (NYSE: FLR), one of the world's largest publicly owned engineering, procurement, construction, maintenance and project management companies, headquartered in Irving, Texas. Prior to assuming this role in 2007, Mr. Wilson served as Group Senior Vice President and General Manager of Fluor's Mining and Metals Group, a position that he assumed in 2004. He has also served Fluor as President, Mining & Minerals; President, Commercial and Industrial Institutional; Vice President & Executive Director, offices of the Chairman and Chief Operating Officer; and in a variety of positions of increasing responsibility from 1980 to 2001.

ABOUT THE COMPANY:

Corn Products International is one of the world's largest corn refiners and a major supplier of high-quality food ingredients and industrial products derived from the wet milling and processing of corn and other starch-based materials. The Company, headquartered in Westchester, Ill., is a leading worldwide producer of dextrose and a major regional producer of starches, sweeteners and other ingredients. In 2009, Corn Products International reported net sales of \$3.67 billion, with operations in 13 countries at 28 plants, including wholly owned businesses, affiliates and alliances.
