<p>1. Chairman of the Board</p>	<p>Board policy and the Company’s By-laws allow flexibility to separate or consolidate the positions of Chairman of the Board and Chief Executive Officer (“CEO”), as the Board of Directors (“Board”), from time to time, may determine to be best for governance and effective Board and Company functioning. If the positions are consolidated, the CEO shall be an executive Chairman. If the positions of Chairman of the Board and CEO are separated, the independent director appointed by the Board to act as Chairman of the Board shall be an independent Chairman.</p> <p>If the Board selects an executive Chairman, then the independent Directors as defined by the Rules of the New York Stock Exchange (“NYSE”) shall appoint a Lead Director on an annual basis for so long as the positions are consolidated.</p> <p>The responsibilities of the Chairman of the Board, regardless of whether the Chairman is an executive or independent, include attending and presiding at meetings of the Board and such other responsibilities which the Board may designate from time to time. In addition, in the event that an independent Chairman is appointed by the Board, such Chairman shall perform the applicable duties as identified under “Role of Lead Director” below. (Revised 12/14/18; revised 10/15/24)</p>
<p>2. Role of Lead Director</p>	<p>The Lead Director, if any, oversees the Board’s governance processes, including Board evaluations, Chief Executive Officer succession planning and other governance-related and oversight matters. The responsibilities of the Lead Director include presiding at meetings of the Board in the absence of the Chairman of the Board and presiding at executive sessions conducted without management, except for meetings where executive performance and compensation are discussed, which are presided over by the Chairman of the People, Culture and Compensation Committee. The Lead Director serves as a liaison between the independent Directors and the Chairman of the Board, provides direct feedback to the Chairman of the Board on a variety of matters discussed in the executive sessions without management and serves as an informal communication link between the Directors and management. The Lead Director oversees that the Board discharges its responsibilities and helps to manage the boundaries between Board and management responsibilities. He or she also works with the Chairman of the Board and the Chairman of the Corporate Governance and Nominating Committee regarding matters to be included on the Board agendas and the informational needs associated with those agendas and presentations and approves the agendas, meeting schedules and information provided to the Board. The Lead Director works with the Chairman of the Board to ensure that the Board works in an independent, productive fashion and is alert to its obligations to the Company’s stockholders. He or she works with the Chairman of the Board to ensure that Board meetings are conducted in such a manner as to allow adequate time and opportunity for appropriate discussion of matters brought before the Board. The Lead Director has the authority to call meetings of the Board and meetings of the independent Directors. The Lead Director assumes those other responsibilities which the independent Directors may designate from time to time and is available as deemed appropriate by the Board for consultation and direct communication with stockholders. The Board believes that this structure recognizes that in most cases one person should speak for and lead the Company and Board, but also that an independent Lead Director with substantial authority helps ensure effective oversight by an independent Board.</p> <p>Any Director who wishes to request a special meeting or place an item on the Board agenda may contact the Lead Director, the Chairman of the Board or the Corporate Secretary. (Adopted 9/20/00, revised 9/17/03, revised 12/01/04, revised 1/25/06, revised 12/14/11, revised 2/4/14, revised 2/7/17, revised 12/14/18, revised 2/9/21) (This and succeeding principles renumbered 12/14/18)</p>

Meeting lengths vary as business dictates. Teleconference meetings may be used between regularly scheduled meetings to assure continuity of Board information flow and actions.</p> <p>Annually, each committee reviews its performance. Then, in consultation with the Executive assigned to the committee, it agrees upon a meeting schedule (including frequency and length of meetings) and tentative agendas for the upcoming year, which are reviewed and approved by the Corporate Governance and Nominating Committee. Agenda items are added and deleted over the coming year at the members' request and as business developments warrant. (Adopted 9/20/00, revised 9/17/03, revised 2/4/14, revised 12/15/17)</p>

<p>8. Board Oversight of Risk Management Processes</p>	<p>The Board regularly devotes time during its meetings to review and discuss the significant risks facing the Company and the steps that the Company takes to monitor, manage and mitigate such exposures. The Board’s oversight of risk management includes consideration of strategic, competitive, economic, geopolitical and political risks, among others. Significant risks include those identified in the Company’s disclosures in its Annual Report on Form 10-K and its other SEC filings, and forward-looking statements disclosures. The management of these risks are prioritized by Company management and discussed with the Board and the appropriate committees of the Board in the exercise by the Board and those committees of their respective oversight roles. The Board conducts a comprehensive annual review of the Company’s risk management processes with input from management and all relevant Board committees, and the CEO and Chief Financial Officer report to the Board quarterly on risk management matters.</p> <p>Consistent with the NYSE’s corporate governance standards, the Audit Committee is the Board committee with primary responsibility for oversight of the Company’s risk management profile and compliance with financial, legal and regulatory requirements. Under its charter, the Audit Committee has the responsibility to review policies with respect to risk assessment and risk management, to discuss the Company’s major risk exposures and the steps management has taken to monitor such exposures, and to review, on an annual basis, a report prepared by the Chief Legal Officer on litigation in which the Company is a party or otherwise affected. In the exercise of that responsibility, the Audit Committee discusses with management the major financial, legal and regulatory compliance risk exposures facing the Company and the appropriate responses to such risks. The Audit Committee considers financial risk management policies and exposures relating to commodity prices including corn and energy prices, foreign exchange rates, interest rates and financial derivatives and reviews insurable risk management policies. The Audit Committee also reviews the Company’s capital structure, access to capital markets, liquidity, credit availability and related matters.</p> <p>The Audit Committee also has oversight with respect to the status of corporate security, the security for the Company’s electronic data processing and information systems (“information security”), and the general security of the Company’s people and assets. The Audit Committee and board receive information security updates at their regularly scheduled meetings that address cybersecurity metrics, highlights, and risks. Two times each year, the Company’s Chief Digital and Information Officer reports to the Audit Committee on information security controls, risks, guidelines, and developments. The Chief Digital and Information Officer oversees the Global Information Security Team and works in partnership with our Internal Audit function to review information security and technology-related internal controls and controls processes. Our Company-wide information security training program includes security awareness training, regular phishing simulations, and other targeted communications and trainings throughout the year.</p> <p>In addition to the Audit Committee, the other committees of the Board consider risk in connection with their oversight of the matters within the scope of their charters.</p> <p>The People, Culture and Compensation Committee (“PCC Committee”) oversees labor and other human capital management matters as well as executive and director compensation programs. In addition, the PCC Committee considers whether the Company’s compensation plans, policies, and practices encourage excessive or inappropriate risk taking that could have a material adverse effect on the Company’s business and performance. Furthermore, the PCC Committee considers the Company’s compensation and benefit programs in the context of competitive risks faced by the Company.</p>

Such resignation shall be made subject to the Board's acceptance.</p> <p>The Corporate Governance and Nominating Committee shall make a recommendation to the Board as to whether to accept or reject any tendered offers of resignation, or whether other action should be taken. No Director who has tendered his or her offer of resignation may participate in the Committee's recommendation. If all the members of the Corporate Governance and Nominating Committee have tendered their offers of resignation, then the Board shall act on the offers of resignation.</p> <p>The Board shall act on any tendered offers of resignation, taking into account the recommendation of the Corporate Governance and Nominating Committee, and shall publicly disclose its decision regarding the tendered offers of resignation and the rationale behind the decision within 90 days from the date of the certification of the election results. No Director who has tendered his or her offer of resignation may participate in the Board's decision. If the acceptance by the Board of all the then pending offers of resignation would result in the Company having fewer than a majority of the Directors who were in office prior to the applicable election, the Board may elect to extend such 90-day period by an additional 90 days if the Board shall determine that such an extension is in the best interests of the Company. (Adopted 2/7/17, revised 12/14/18)</p>

In making such recommendation the Committee will consider such factors as effectiveness and productivity of the Director, the need for retaining an experienced Director and other factors identified during the Board self-evaluation process.
